A Year-Long Bible Reading Plan For Elementary Students

This is a year-long plan designed for elementary-aged students who desire a disciplined plan for reading God's Word. The plan is primarily built around the narrative portions of Scripture, while also touring through much of the Old Testament poetic books and several New Testament epistles.

Five readings each week will give readers time to catch up for days missed or even take a day off. After completing a reading, mark the circle. This plan will be best utilized if siblings and parents daily discuss what they are learning about God, themselves, and the gospel as they read.

May this plan help young people encounter God through Christ as they develop a life-long love for the Word of God.

*"Your word is a lamp to my feet
and a light to my path." (Psalm
119:105).*
